

MINUTES OF THE PUBLIC HEARING HELD ON 15th JULY, 2017 (AT 11AM)
AT RAJABARI LETEKUJAN ME SCHOOL CAMPUS, P.O. LETEKUJAN, MOUZA-MORONGI,
DIST-GOLAGHAT, ASSAM IN CONNECTION WITH OBTAINING 'ENVIRONMENTAL
CLEARANCE' FOR 'SETTING UP OF BAMBOO BASED BIOETHANOL PROJECT' AT
VILLAGE OWGURI CHAPORI GAON, TEHSIL GOLAGHAT, ADJACENT TO NUMAL-
IGARH REFINERY, MOUZA-MORONGI, DIST-GOLAGHAT, ASSAM BY M/S. NUM-
LIGARH REFINERY LTD, GOLAGHAT, ASSAM.

Today the 15th July, 2017 a Public Hearing is conducted for
'Setting up of a Bamboo based Bioethanol Project' at village Owguri
Chapori Gaon, Tehsil Golaghat, Assam.

PANEL MEMBERS:

1. Sri Utpal Doley, ACS, Addl. Deputy Commissioner
(Rev), Golaghat.
2. Mrs. Rita Sarania, Regional Executive
Engineer, PCBA, Regional Office, Golaghat.

AGENDA OF THE PUBLIC HEARING:

1. Selection of President.
2. Authorised Representative of Pollution Control Board, Assam will explain the purpose of the Public Hearing.
3. Presentation in details of the Project by M/s. Numaligarh Refinery Ltd, Dist-Golaghat, Assam.
4. Views of Public/NGOs etc. regarding environmental impact of this Project and mitigation measures.

PROCEEDINGS (MINUTES AND RESOLUTION):

At the beginning the representative of Pollution Control Board, Assam explained the purpose of the Public Hearing as per the notification, 2006.

As per the agenda, the Project proponent of M/s. N.R.L. spoke about the projects in details in Assamese language.

VIEWS OF THE PUBLIC :

Raju Phukan, AASU spoke about the need of Refinery in Golaghat dist. He spoke that project proponent spoke that there will be less pollution in this project. He was in favour of the project but if there will be any controversy in the NRL/Bamboo Project in future they will discuss the matter afterwards.

Bhadreswar Tanti, Ex. MP spoke that there was no development in Golaghat district before but he worked hard to bring the fourth refinery at Numaligarh and after that the local people got many engagement. He supported the upcoming project but spoke that from this proposed project there should not be any nuisance. To run this industry the bamboo shoots are necessary and so the NRL should take necessary steps in this regard - Again he express his support for the upcoming project. Also said that the people in these area are poor and so the authority should give chance to the local people for job. He gave best wishes to the NRL authority and with co-operation with the local public they should proceed for the upcoming project.

Jitul Rajkhowa, AJYCP spoke that he is in favour for the project as there is shortage of job for the unemployed youth in that area.

Nilutpal Khownd, AJYCP, Bokakhat spoke in favour for the upcoming project as there is shortage of job now-a-days.

Munindra Mohan Gogoi, Khoontai spoke in favour of the project but he spoke that the project is joint venture with foreign co. & NRL and half the profit will be taken by the foreign country. He requested to clarify by NRL authority how much it will be profited for the local people with this 50% profit. He again express his support for the upcoming project.

Nurul Ali, President of ATTASA spoke that the Moranji public knows about NRL. He spoke in favour of the project. He said that this house is in Lettekujan and he wanted to know that the land taken

from the local people what compensation they will get and they want 80% local people should engaged in the upcoming project. He said that he learnt that there will be less pollution and ^{for} that he supported the project and if not than who will take the responsibilities for the pollution it will create.

Mridul Saikia, Golaghat AASU spoke that he is away from Numaligarh for many reason because before also M/s. NRL promises to absorb local people in the project but not fulfilled their promises. He said that they have many dreams and for NDZ area cannot established a mini sugar plant in Karmashandha area but shifted to other place. He supported the upcoming project as it is a agribase industry and wish more people will absorbed in the project.

Jitu Saikia, spoke in favour of the proposed project and requested NRL authority to engaged local unemployed youth in the upcoming project. He wanted to know how much youth will be engaged and what compensation will get for those who will loose their land.

Tareen Yanti, Purabenglow gave his view in favour of the project. He said the the road which leads to the project site should be made properly and electricity should be provided by the NRL authority for the local people.

Bishnu Barrah, spoke that job should be generated for the local people but if NRL does not fulfill than he is not in favour for the project. He alleged that he got some odour in that area and he wanted to know whether it affected them or not.

Purna Sorongi, Lettekujan spoke that he is the resident near the project. He expressess some grievances about land not getting compensation and the local peoples are not engaged in job. He requested the NRL authority to give promises that they will engage the local youth in the project. Some facilities under CSR fund should be given to them.

Bhairab Kamal Bawarach, Morongi Choraihi spoke in favour for the upcoming project. He wanted to know whether the project will affect the local people and whether it will create pollution or not. He wanted that 100% local youth should be engaged in the project. There will arise a business in the project and the local youth should be engaged in that business. He wanted to know whether the project is joint venture with foreign land and if yes in future the foreigner will take the project or not. He has requested NRL to establish a Super Speciality hospital in that area. He said that facilities under CSR fund should be given in that area and once again supported the project.

Deepak Ranjan Seikia, Daigrung, spoke that he is happy seeing the public awareness. He spoke in favour of the project and he said that the raw material Bamboo should be grown locally and requested the NRL to take necessary steps in this regard thus helping the local youth.

Md. Amjad Ali, Rajabari spoke in favour of the upcoming project. He said some grievances related to land and absorption in job for local youth. He is spoke in favour of the project.

Gauram Tanti, ATISA spoke that he is happy that the project will be established in that area but the main gate should be made in the Rajabari to carry the raw materials and people working in the project. He has requested the NRL to absorb the local people in the upcoming project.

Santi Ram Upadhyaya, President of Bihots Ouguri Rajabari Sammiti Somili read out a memorandum in the hearing. As per memorandum they have some demands and if not fulfilled than they will be against the project. He submitted the memorandum to the ADC, Golaghat in the hearing.

Kamalkantli Chetri, spoke in favour of the project but alleged that NRL authority does not give much facilities in the neighbouring village and the authority donot do the development work in that area. He said that he has many grievances like local youth should be engaged in the project.

Sanjeev Baruah, Sarupathaz spoke some grievances which fall under CSR fund.

Md. Tofiq Ahmed, Gen. Secy Oikya Samaj Asom, Lyelghat spoke his grievances for the unemployed youth and requested NRL that the local youth should be absorbed in the project. He raised his demand to make one overbridge for the local people and to make one health care establishment in that area. He spoke in favour of the project.

Someswar Narah, JEEPAL comes to the stage and started speaking against the project. After that he took out a container containing some combustable material which he tried to lit up in the stage which was protested by the public present and during the commotion police whisked him out of the venue as the situation became tense because of his act.

Dwipen Dutta, Journalist spoke in favour of the project. He said that some people wanted to take the refinery to other place but a joint work of the local people results establishment of refinery at Nurmaliagh. The upcoming project is a new project and he learnt that there will be less pollution in the project and requested NRL to take necessary steps to do their works as per provisions of all existing environmental laws.

He once again spoke in favour of the project.

Dimple Shekial spoke in favour of the project. He said about some grievances for the job generation and requested NRL to absorb the local youth.

Dhireba Bora, spoke that the upcoming project is eco-friendly project and he wanted to know whether it will affect the local people or not. He spoke that the project is a joint venture with foreign country and NRL and he wanted to introduce himself with foreign people if present at venue. He spoke in favour of the project. He said that though project will have minimal pollution in that area but inspite of that he is in favour of the project for the job generation for the local youth. Sri Bora

said about some grievances for the joint venture. He requested to m/s.NRL to grant some facilities under CSR fund for the local people. He also requested to make one 'Sevahid Vedi' in that area. He express his grievances against HR deptt. of NRL. He said that if the project does not affect the local people than he is in favour of the project.

Paramananda Das, Schedule Caste Student union Spoke that he wanted to know from the representative of PCBA that whether NO_x will emit or not in the project. If emitted 1% also than there is a possibility of Cancer disease so cancer hospital should be established in that area. He spoke about the affect that can be acquired from NO_x. He requested NRL authority to provide electricity in the area about 5 km radius from the project. He said that alcohol will be a product in the upcoming project. Regarding NO_x requested he said that it is so dangerous that woman will loose the fertility capacity.

Mridul Phukan, spoke that the hearing is pollution related. He said that every public has grievances for CSR fund facilities. He said that the local people do not know much about pollution and as a lay man he said that there is a pollution from NRL. He also said about the affect of NO_x if emitted in the project but the burning issue is unemployment and so he spoke in favour of the project. He requested NRL authority to take necessary steps in the job generation matter for the local youth. He once again spoke in favour of the project.

Suchil Saikia, Panka Gramya Pather Porisalona Sonite, President spoke in favour of the project and he said some grievances are there in the area Panka Gramya Anchal. If pollution is created from NRL than all will jointly mitigate the pollution. He requested PCBA official, ADC & NRL authority to take necessary steps in the matter of mitigation of pollution. He spoke about the storm water drain of NRL which may affects the Sengarmorajan.

Porag Bora, Doigreng spoke that he wanted to make one Tea factory in the NDZ area and requested the representative PCBA to explain the matter related to NDZ.

The representative of PCBA explain the matter related to NDL.

Biplav Peukan Saikia, spoke that he does not know much about pollution but he said that he is in favour of the project. Every industry has good and bad effect and so he is in favour of the project. He requested the NDL authority to absorb local youth in the project and he emphasised the need of CSR fund facility in that area with top priority. He spoke in favour of the project as the project is agribase.

Pranabjyoti Chetia, Workers Union NDL spoke about Brick kilns permission from Gram Panchayat and he afterwards learnt that from Brick kiln a disease called Silicosis will be acquired by the people and so at that time he cancelled the permission when he was President of Gram Panchayat. But the worker of the Bricks Factory goes against his views. He said that though there is a negative impact from the project but the public should look to the positive side of the project also considering the unemployment issue in this area.

Rekhamoni Barua requested NDL authority to give engagement to the woman in the project and ~~for~~ the local youth also should get chances in job in the upcoming project.

At last Abhivartan Goswami spoke in favour of the Project on behalf of whole public present.

RESOLUTION OF PUBLIC HEARING :

Considering the environmental, technical, scientific and socio-economic aspects related for 'Setting up of Bamboo based Biorefinery Project' at Village Onguri Chapori Gaon, Tehsil Golaghat and taking into consideration of opinions and suggestion made by the public present in the public hearing held on 15th July, 2017, it is unanimously resolved to allow M/s. NDL, Golaghat, Assam incorporating with all pollution control measures proposed by the project proponent and to comply with the provisions of all existing environmental laws.
