Central Ground Water Authority  
Ministry of Water Resources  
Government of India  

No. 21-4(27)/CGWA/NER/2010-  

Dated-  

I 6 MAR 2010  

To,  

M/s North East Roofing Pvt Ltd.,  
Bonda, Narangi, Guwahati-781026,  
Assam  

Sub: Request for ground water clearance in respect of M/s North East Roofing Pvt Ltd., for their AC sheet manufacturing unit at Village Bonda, District Kamrup, Assam. -reg.  

Sir,  

The area where the industry falls comes under safe category as per the ground water assessment carried out by Central Ground Water Board. Since the total requirement of ground water is 70 m³/day, NOC is not required for ground water withdrawal from Central Ground Water Authority. However, to neutralize the adverse impact of ground water withdrawal that may arise on a long term basis, the industry/project is advised to undertake the following measures:  

1. Ground Water withdrawal shall not exceed the proposed quantity of 70 m³/day.  
2. All abstraction structures should be fitted with water meter by the industry and monitoring of ground water abstraction to be undertaken accordingly on regular basis, at least once in a month. The data may be submitted on a yearly basis to the Regional Director, Central Ground Water Board, North Eastern Region, Guwahati for perusal and records.  
3. The industry is advised to implement rain water harvesting and monitoring of the ground water levels in and around the area as per the hydrogeological investigation.  
4. The industry shall ensure proper conservation measures, recycling and reuse of waste water after adequate treatment.  
5. The industry shall monitor the ambient ground water regime of the area through piezometers and submit the data on a yearly basis to the Regional Director, Central Ground Water Board, North Eastern Region, Guwahati for perusal and records.  

Yours faithfully,  

(S. Bhattacharya)  
Scientist 'D'  
for Regional Director  

Copy for information to the:  
1. Chairman, Pollution Control Board Assam, Bamunimaidan, Guwahati-21 with a request to ensure that Rain Water Harvesting and Artificial Recharge methods are being implemented by the firm and quantity of withdrawal is not exceeding 70 m³/day. This has reference to your letter No. WB/GUW/T-986/07-08/10.  
2. Regional Director, Central Ground Water Board, North Eastern Region, Tarun Nagar, Bye Lane-1, Guwahati-781005. This has reference to your letter No. 314/D27/CGWA/NER/2007-2008 dated 18.2.2010.  
3. TS to Chairman, Central Ground Water Board, NH-IV, Faridabad.
