

Problem Statement for Ideation Hackathon

Food Waste – Environmental, Economical and social impacts of food waste

Plastic Waste – Recycling of post-consumer Plastic waste

Biomedical Waste – The number of CBWTFs is inadequate. BMW management in majority of HCFs in Assam which do not have access to CBWTFs is a major challenge.

Hazardous Waste: Management of domestic hazardous Waste.

Electronic Waste – Most of the e-waste is not being channelized to recyclers

The ideas presented for the hackathon should be original and not part of any existing Rules notified by MOEF&CC or CPCB.
