## Inspection Report

As directed by Pollution Control Board, Assam authority, the site of M/s Bhawani brick Industry (BBA) at vill: Satibheti, p.o: Mayong, Dist: Morigaon (Assam) was visited on 17.11.2023 and observation findings are as follows:

- 1. Name of Unit: M/s Bhawani Brick Industry (BBA)
- 2. Location of unit: vill: Satibheti, Sengmari Kissam,  
P.O: Mayong, Dist: Morigaon (Assam).
- 3. Proprietor: Sri Dilip Chetry
- 4. Date of visit: 17.11.2023
- 5. Contact person: Sri Lakhan Teleng
- 6. Site description: M/s Bhawani Brick Industry (BBA) is located at vill: Satibheti, Sengmari Kissam, P.O: Mayong, Dist: Morigaon (Assam). All four sides of the above brick industry are open land with low-line character. The Chandrapur – Pabitora PWD Road (SH-3) is running about 600 mtrs away from the proposed brick industry. One ‘Shewashram’ and one M.E School is also situated on the PWD road and these are situated at 800 mtrs (approximate) away from the brick industry.
- 7. Observation: The proposed brick industry is not on operation mode and it was in abandoned state for many years due to public complain and sub-judice at Honourable Guwahati High Court. Any activity of brick making is not seen during the inspection time. Agricultural activity of winter seasons is seen at two side of the brick kiln at 200 mtrs (approx) away. The area of the proposed brick (BBA) is low land by nature and covered with ordinary ‘Birinna’ bush.
